

HOUSE ADOPTS NEW
TAX REVISION BILLRevised Measure Will Be
Taken Up in Senate To-day
for Final Enactment.

WASHINGTON, Nov. 21.—By a vote of 252 to 109, the House late today approved the tax revision bill as rewritten in conference. The measure immediately was sent to the Senate, where it will be taken up to-morrow with Republican leaders determined upon its final enactment in time for the ending of the special session of Congress Wednesday night.

Before adopting the conference report on the bill, the House defeated, 202 to 141, a motion from the Democratic side to send the measure back to conference with instructions to the House managers to accept the Senate amendment increasing the inheritance taxes. Forty-two Republicans voted for the motion while four Democrats voted against it.

Only eleven Republicans voted on the final vote, while six Democrats voted for passage. The Republicans opposing the bill were Brock, Browne, Lampert, J. M. Nelson and Volpert, all of Wisconsin; James and Woodruff, Michigan; Michaelson, Illinois; Ryan, New York; Sinclair, North Dakota, and Keller, Minnesota. The six Democrats were Campbell, Pennsylvania; Lee, California, and Dugan, Texas; Lezore and Martin, all of Louisiana.

Chairman Fordney of the House managers said the measure in its present form would yield a total revenue this fiscal year of \$2,216,000,000, or \$48,000,000 less than the amount the Treasury Department had estimated would be needed.

Representative Mondell of Wyoming, the Republican leader, told the House that best estimates were that the bill would reduce taxes by \$70,000,000 this calendar year and by \$335,000,000 in the next calendar year. He praised the bill as "a splendid measure except that it did not reduce the maximum surtax rate sufficiently."

Representative Garner of Texas, ranking Democratic member of the Ways and Means Committee, declared that the measure was "a monstrous" representation of "going to seed."

A. F. OF L. SUPPORTS
STRIKING MILKMEND. J. Tobin Denounces Eliot
and Gary as 'Radicals.'

At a mass meeting of the striking milkmen in Prospect Hall, Brooklyn, yesterday afternoon, Daniel J. Tobin, president of the International Brotherhood of Teamsters and treasurer of the American Federation of Labor, made a plea for an honorable settlement of the strike. Mr. Tobin told the strikers that organized labor was behind them in their fight against the open shop. He denounced Charles W. Eliot, president of the Milk Producers' Association, and Edward H. Gary, president of the United States Steel Corporation, as "two of the worst radicals" he had ever met. The strikers, by rising votes and loud cheering, announced their support of the strike. Mr. Tobin said he would stay out all winter, if it had to be, to win the strike.

Dr. Royal S. Copeland, Health Commissioner, called George W. Briggs, union leader, to his office after the meeting and told him that the city would not return down on Friday another attempt he had made to settle the strike. The Commissioner and Mr. Briggs declared an exaggeration of the claim of the New York Milk Conference Board that 50 per cent. of the normal supply of milk was available and that distribution was more than 60 per cent. of normal.

GARMENT WORKERS
PLAN INJUNCTIONSWould Restrain Bosses From
'Breaking Agreement.'

Morris Hillquit, counsel for the 60,000 striking cloakmakers, spent yesterday preparing papers in a suit which may be filed against the Cloak, Suit and Skirt Manufacturers Protective Association, to enjoin that organization from breaking an agreement. No complaint was taken, however, as Benjamin Schlesinger, president of the union, and other leaders have not determined to take such action.

Another action was taken in the matter of the looming strike of 20,000 dressmakers, girls for the most part. In the opinion of men familiar with the garment trade, however, a strike by these dressmakers is merely made more dangerous by delay, as the time is quickly coming when the busy season of winter dressmaking sets in.

There are now 145 shops employing 7,000 workers, at work. It was announced by union officials.

CAPT. BAILEY SEEKS
IMMEDIATE TRIALJudge Mulqueen Scores Prac-
tice of Transfers.

William J. Fallon, attorney for Police Captain William A. Bailey, formerly in command of the West Thirtieth street station, asked Judge Mulqueen in General Sessions yesterday to order an immediate trial on an indictment charging Captain Bailey with the acceptance of a \$500 bill wrapped around a cigar, offered to him by a manufacturer of cigars as a bribe for police protection against strikers.

Mr. Fallon said the transfer of the case to the Supreme Court, from which it was sent back to General Sessions last week, was an injustice to Captain Bailey and Judge Mulqueen scored the practice of transferring cases from one court to another. "Twenty-one of the twenty-three members of the Grand Jury which indicted Captain Bailey had written him. Mr. Fallon said, saying that the indictment never would have been returned if the case had been properly presented."

MURDER TRIAL DATE SET

Alleged Victim.

The trial of Miss Augusta Humann of 825 Hatch avenue, Ozone Park, Queens, and Joseph Labacsi, of 27 Troutman street, Brooklyn, under indictment for the murder of Harry Dewey Garbo of 1115 Chichester avenue, on October 27, will begin on December 12 before Judge Humphrey in the Queens County Court at Long Island City.

This date was agreed upon yesterday when Miss Humann and Labacsi were taken before Judge Humphrey. The girl wore a wrist watch and a small gold chain which she said had been given to her by Garbo.

UNRENEWED LEASE
CANNOT BE BROKENLandlord Must Live Up to
Terms Even Though Ten-
ant Doesn't Sign.

Even though a tenant refuse to renew his lease, the landlord of an apartment house is under obligation to fulfill its terms regarding service, should the tenant continue to occupy the premises, so Justices Herbert, Kernochan and Edwards decided in Special Sessions yesterday. Joseph Brannan, of 51 East Ninety-sixth street, a retired business man, who is owner of the apartment house at 1 West 102d street, was found guilty of violating section 2040 of the penal law in willfully breaking the terms of a lease once held by William H. Menchey, a manufacturer, of an apartment on the fifth floor of the six-story structure. Bail was fixed at \$2,500, and the case was continued to November 28, for investigation and sentence.

Menchey said he had lived in the building nineteen years and that Brannan took possession in March, 1920. When he refused to sign a new lease, this year, he admitted the matter was taken to a municipal court where Brannan was permitted to charge a 25 per cent. rent increase. Menchey said his lease had stipulated all night elevator and telephone service and that there be plenty of hot water, but he since Brannan had taken over the property, the telephone switchboard had been taken out, the elevator stopped running at midday and there was insufficient hot water.

Henry Reinhardt, auditor of the Fox Film Company, was running a motion picture machine in his apartment at 1850 23rd avenue, the Bronx, October 22, when the machine burst into flames and did damage requiring that the interior be repainted and repaired. After the work had finished he attempted to move back, but found, he says, that the door had been fitted with a new lock and the premises leased to another tenant.

Yesterday Henry J. Semke, secretary of the Truck Building Company of 1662 Boston road, owner of the building, appeared before Magistrate Douras, in the Morrisania Court, in response to a summons to show cause why he should not be ejected from the premises. He said he had no reason for ejecting Reinhardt and advised Reinhardt he had a right to return to the apartment and batter in the door if necessary to gain entrance.

HYLAN CALLS HOME
RULE CONFERENCEDepartment Heads Asked to
Suggest Legislation.

Mayor Hylan announced yesterday he had called a conference of city department heads to-morrow to consider legislation to be introduced at Albany for the purpose of obtaining a greater measure of home rule for New York City.

The first step, he said, will be to ask amendment of Chapter 444 of the laws of 1914, so as to give to New York the power to amend the charter of the city and make other changes which might be deemed advisable. Mayor Hylan said he did not believe that it is any use trying to do anything about reviving the charter, unless the city would stay out all winter, if it had to be, to win the strike.

Dr. Royal S. Copeland, Health Commissioner, called George W. Briggs, union leader, to his office after the meeting and told him that the city would not return down on Friday another attempt he had made to settle the strike.

The Commissioner and Mr. Briggs declared an exaggeration of the claim of the New York Milk Conference Board that 50 per cent. of the normal supply of milk was available and that distribution was more than 60 per cent. of normal.

INDICTMENTS LIFTED
FOR 3 ON FIRE BOARDFreed in Deaths in Maiden
Lane Fire.

Indictments for manslaughter against William F. Doyle, Thomas F. Lantry and William H. Stewart, as members of the board of review of the Fire Department, were dismissed yesterday by Justice Burr in Supreme Court.

The case grew out of a fire in Maiden Lane last January in which three lives were lost.
